ACTION MEMORANDUM

OFFICE OF THE DIRECTOR

Action Memorandum No. A-114

Date 4 December 1962

TO :  Deputy Director (Intelligence)
Deputy Director (Plans)
Deputy Director (Research)

SUBJECT : Possible Relocation of Soviet Missiles Outside the USSR

REFERENCE:

1. At the COMOR meeting of 15 November Mr. McAfee the State Department representative referred to reports that the Russians now consider some of their MRBMs surplus and may be moving them to other parts of the world.

2. In view of the recent Cuban episode, this should be made a matter of top priority. All of collection vehicles should be constantly on the alert for any evidence of relocation of Soviet missiles outside the USSR. Would you each please have the appropriate unit determine whether the existing requirements are sufficient to insure that we get prompt advice on this subject.
